

Article no. **F4502.13** pcs 1.640,00 Euro

suction unit Z1 ECO
w 200 x h 670 x d 580 mm
5000 hours guaranteed engine life
1 automatic power socket for handpiece identification
1 main filter, 1 fine filter
1,5 meter suction hose ø 40 mm
1 angle adapter 50/40 mm
version: USA 120V/60Hz
front color Freuding standard color
without suction funnel
Handpiece identification at the Z1 Eco is much better than at other suction units. In case of problems an additional control cable is necessary. Connection socket is available to retrofit the cable.

Article no. **F4502.14** pcs 1.640,00 Euro

suction unit Z1 ECO
w 200 x h 670 x d 580 mm
5000 hours guaranteed engine lifetime
1 automatic power socket for handpiece identification
1 main filter, 1 fine filter
1,5 meter suction hose ø 40 mm
1 angle adapter 50/40 mm
version: GB 240V/50Hz
front color Freuding standard color
without suction funnel
Handpiece identification at the Z1 Eco is much better than at other suction units. In case of problems an additional control cable is necessary. Connection socket is available to retrofit the cable.

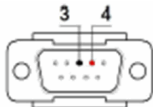

Article no. **F4503.04** pcs 1.640,00 Euro

single vacuum unit Z1 CAM
with 24V-interface for CAM-milling machines
w 200 x h 670 x d 580 mm
1 main filter, 1 fine filter
1,5 meter suction hose 40 mm
1 angle adapter 50/40 mm
version Schuko 240V/50Hz
front cover in Freuding standard color
without suction funnel
Handpiece identification at Z1 CAM is clearly better than at other suction units. In the event of problems an additional control cable will be needed. The connection socket is available at the unit; the cable can be retrofitted.

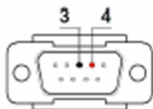

Article no. **F4504.14** pcs 2.340,00 Euro
