

Preisdatum/price date: 01.07.2026

Article no. **F4502.01** pcs 1.880,00 Euro

suction unit Z1 ECO
w200 x h675 x d590 mm
5000 hour guaranteed motor lifespan
1 automatic socket for handpiece detection
1 main filter, 1 fine filter
1 suction hose, 1.5 m, ø 40 mm
1 angled adapter 50/40 mm
version schuko 230V/50Hz
front color of choice in Freuding standard colors

Handpiece detection is significantly better with Z1 ECO than other suction systems. However, in some cases, an additional control cable is required. The connection socket for this is already installed in the system, and the cable can be retrofitted at any time.

Upon return of the new unit,
we charge €45.00 for inspection and repackaging.

Article no. **F4502.03** pcs 1.880,00 Euro

suction unit Z1 ECO
w 200 x h 670 x d 580 mm
5000 hours guaranteed engine life
1 automatic power socket for handpiece
identification
1 main filter, 1 fine filter
