Scope of delivery:

1 vacuum unit, 1 power cord
4 suction point openers with valve and pressure reducer
4 power cords, 4 network cables
1 suction hose 5 m ø 70 mm
4 suction hoses 0.8 m ø 40 mm
4 compressed air hoses 2 m ø 8 mm
4 compressed air hoses 1.5 m ø 6 mm
4 PP branch fittings 45° DN70/40
2 blanking caps DN70

Please note:

When using KaVo K-Control or Schick Cube technical machines, an additional connection cable is required. Please specify by ordering !

Using more than 4 suction points simultaneously will result in a loss of suction.

This does not constitute grounds for complaint !
